Extraordinary announcement

OTP Bank is picked to participate in Vojvodjanska banka's privatisation

OTP Bank is contented to be notified that that Serbia's Deposit Insurance Agency (DIA), acting on behalf of the Government of the Republic of Serbia, has put it on the list of those banks which may participate in the privatisation process of Vojvodjanska banka a.d. Novi Sad (Vojvodjanska banka).

As it is known, OTP Bank submitted its Letter of Intent to DIA by the 7 November, 2005 deadline, set in the tender announcement for the sale of a stake not less than 99% in Vojvodjanska banka. The DIA had indicated in its tender announcement that it would choose the financial institutions to be invited into the next round of privatisation via a pre-qualification process.
