

Annual General Meeting Announcement of OTP Bank Plc.

The Board of Directors of OTP Bank Plc. (registered office: H-1051 Budapest, Nádor utca 16., registered with the Company Court of the Metropolitan Court of Budapest under number 01-10-041585; ISIN: HU0000061726) notifies its shareholders related to its ordinary Annual General Meeting as follows:

OTP Bank Plc. (Hereinafter: the Company) is committed to protect the health and safety of its shareholders, investors, employees and any person interested in the General Meeting. In the situation caused by the coronavirus epidemic, the Company acts responsibly, in line with the legislation and health regulations in effect, and considers human life and health as the most important value.

The Company shall hold its Annual General Meeting of 2020 exclusively if it is permitted by law and in such manner and when the applicable epidemiological regulations permit it.

As the general legal regulations relevant to the convocation and holding of the General are in force which apply to corporate events planned beyond the currently ordered state of danger period the Company will, subject to statutory time limits, publish today the following Annual General Meeting Announcement.

The Company draws the attention of the Honorable Shareholders that due to the event of the epidemic caused by the corona virus, it is probable that changes shall be in the conditions (including the possibility of holding, date, venue, etc.) of the Annual General Meeting. The Company will promptly inform the Shareholders of such changes in public disclosures.

In case it is possible to hold the Annual General Meeting of 2020 at the scheduled date, we strongly recommend our Shareholders to consider representing themselves via proxy instead of in person attendance. The Company will provide assistance with proxy templates published later, as well as making suggestions to the person of the proxy. A proxy may represent several shareholders, thereby reducing the risk of infection.

Therefore, if future legislation and epidemiological regulations allow the safe holding of the Annual General Meeting of 2020 on the date scheduled below,

Shareholders representing at least 1% of the votes – observing the rules on the level of detail of the agenda – may request, in writing, that the Board of Directors include a particular issue in the agenda of the convened Annual General Meeting. This right may be exercised by the minority shareholders within eight days following the publication of the Annual General Meeting Announcement. The Board of Directors must include the motion in the agenda of the Annual General Meeting and publish it within eight days in accordance with Article 15 of the Articles of Association.

II. Preconditions for participation in the Annual General Meeting and for the exercising of voting rights are that:

- a) the result of the shareholder identification procedure confirms the shareholding as at the date of the shareholder identification procedure;
- b) the shareholder be registered in the Company's Share Register by the closure of the register as specified in section III of this announcement;
- c) the shareholding and/or the voting rights of the shareholder do not violate the legal regulations or the provisions of the Company's Articles of Association, and the Company shall check this circumstance.

- III. The Company asks KELER Central Depository Private Company Limited by Shares (hereinafter: KELER Ltd.) to perform shareholder identification for the date of the Annual General Meeting (including any Reconvened General Meeting), as a corporate event. **The date of the shareholder identification is 8 April 2020 (Wednesday).** The rules pertaining to the shareholder identification process are set out in the latest effective regulations of KELER Ltd.

The Company, at 18:00 Budapest time on the second working day before the Annual General Meeting (or Reconvened General Meeting), shall delete all the data in the Share Register, and concurrently with this it shall register the results of the shareholder identification process in the Share Register, and shall close it with the results of the shareholder identification. After this any entry related to a shareholder's shareholding may only be made, at the earliest, on the working day following the closure of the Annual General Meeting or following the day of the non-quorate Annual General Meeting.

Only persons whose names are registered in the Share Register at the time of its closure are entitled to exercise shareholder rights at the Annual General Meeting (including any Reconvened General Meeting). The closure of the Share Register will not limit the right of any person registered in the Share Register in respect of the transfer of his/her shares following the closure of the Share Register. Any transfer of shares prior to the initial day of the Annual General Meeting shall not preclude the right of a person registered in the Share Register to participate in the Annual General Meeting and to exercise the rights to which he/she is entitled as a shareholder.

The Company, based on Subparagraph (3) of Paragraph 153 of Act CXX of 2001 on the Capital Market, draws the attention of the institutions to be registered as shareholder proxies in the Share Register to the fact that by 16:00 Budapest time on the second working day prior to the day of the Annual General Meeting at the latest, they must indicate the shareholders represented by them, by stating the name/company name, address/registered office and the number of shares held. Any shareholder proxy who does not fulfil these requirements by the specified deadline may not exercise voting rights at the Annual General Meeting under the law.

- IV. **The Annual General Meeting will be conducted with the personal presence of those entitled to participate. Shareholders may participate in the Annual General Meeting in person or through a proxy.** OTP Bank Plc. is entitled to check the personal identity of the shareholders and their proxies on the basis of documents, prior to their admission to the Annual General Meeting.

The authorisations relating to representation as a proxy at the Annual General Meeting must comply with the relevant provisions of Hungarian law. The authorisation must include, clearly and expressly, a statement of authorisation with respect to the proxy, a specification of the authoriser and of the proxy, and any limitations that may apply to the authorisation. The authorisation must be issued in the form of a notarised deed or a private document of full probative force.

One representative may represent several shareholders; however, he/she must possess authorisations from every shareholder represented by him/her, either in the form of a notarised deed or a private document of full probative force. If several proxies are indicated in one authorisation, then it must be specified that, under the authorisation, each proxy may exercise his/her right of representation independently. If one shareholder is represented by several proxies, they may not vote or make statements differently from each other.

The letter of proxy may be issued as valid for one general meeting, or for a specified period, but for a maximum of twelve months. The letter of proxy – in the absence of a provision to the contrary – shall extend to a general meeting convened to continue a suspended general meeting, or a general meeting that has been reconvened due to lack of quorum.

If a shareholder is represented at the Annual General Meeting by its lawful representative (e.g. chief executive, managing director, mayor, etc.), the court or company court document evidencing the right of representation – in its original form, or in the form of a copy certified as authentic by a notary public, issued not more than 30 days previously – or a certificate regarding the election of the mayor, as the case may be, must be presented at the venue of the Annual General Meeting. When providing evidence of the existence of companies (and other organisations) registered abroad, and of the right to represent the entity issuing the authorisation, it is essential that the foreign document be issued by a certified public records body or that these facts be attested by a notary public.

If the authorisation or any document submitted as evidence of the representation right was not issued in Hungary, the form of the document must satisfy the legal regulations pertaining to the certification and/or legalisation of documents issued abroad. According to these regulations, in the absence of a bilateral international agreement to the contrary, (i) the diplomatic certification and/or legalisation of the document is needed, or (ii) – if the given country is a party to the relevant international convention – the furnishing of the document with an apostille is required. According to the Subparagraph (7) of Paragraph 44 of Act LXXVIII. of 2017 on the Activity of attorney at law, diplomatic certification and / or legalisation or apostille certification is not required for full probative force of a document countersigned by an attorney which is under the scope of this Act, but signed by the parties abroad. Detailed information on the applicable rules is provided by the Hungarian foreign representation offices. If the document is written in a language other than English or Hungarian, then a certified Hungarian translation of the document must be presented.

The authorisation and the related documents must be handed over by 14:00 p.m. Budapest time on 14 April 2020 (Tuesday) at the very latest, at any of the designated OTP branches listed under section X below, or – if the proxy, based on a foreign document, is representing more than one shareholder – at the Legal Directorate of OTP Bank Plc. (H-1051 Budapest, Nádor utca 16.).

V. Registration at the venue of the Annual General Meeting will begin at the day of the Annual General Meeting at 8:00 a.m Budapest time.

Provided that the conditions for participation at the Annual General Meeting and for exercising voting rights are met, at the venue of the Annual General Meeting the shareholder or his/her proxy – having provided proof of his/her identity and signed the attendance sheet – may request a voting device, which entitles him/her to vote and participate in the Annual General Meeting. Any given shareholder (including a shareholder represented by a shareholder's proxy) is only entitled to use a single voting device (book of voting slips).

VI. We remind our shareholders that participating and voting at the Annual General Meeting is subject to observation of the provisions set forth under points II, III, IV and V of this announcement.

VII. Should the Annual General Meeting not be quorate by 10:00 a.m. Budapest time on 17 April 2020 (Friday), the Board of Directors shall convene the Annual General Meeting for 10:00 a.m. Budapest time on 29 April 2020 (Wednesday), at the OTP Bank's office building (H-1131 Budapest, Babér utca 9.), with the agenda specified in section I (Reconvened General Meeting).

The Reconvened General Meeting shall be deemed to be quorate regardless of the number of shareholders present.

We remind our shareholders that participating and voting at the Reconvened General Meeting is subject to observation of the provisions set forth under points II, III, IV and V of this announcement, with the difference that

- in the case of a Reconvened General Meeting the (effective) date of the shareholder identification is 22 April 2020 (Wednesday);
- registration at the venue of the Reconvened General Meeting will also begin at the day of the Reconvened General Meeting at 8:00 a.m. Budapest time, and furthermore
- if the proxy, based on a foreign document, is representing more than one shareholder at the Reconvened General Meeting, then the authorisation and the related documents must be submitted to the Legal Directorate of OTP Bank Plc. (H-1051 Budapest, Nádor utca 16.), by 16:00 Budapest time on 24 April 2020 (Friday) at the latest.

VIII. We recommend that those of our shareholders who intend to participate in the Annual General Meeting consult with their securities account provider regarding the tasks and deadlines that need to be performed and met in order to ensure their participation in the shareholder verification process to be conducted by KELER Ltd.

IX. The written documents related to the Annual General Meeting will be available from 26 March 2020 (Thursday) at the Budapest Regional Branch of OTP Bank Plc. (H-1052 Budapest, V. Deák Ferenc utca 7-9.), as well as on the website of the Company (www.otpbank.hu), on the website of the Budapest Stock Exchange (www.bet.hu), and on the website operated by the National Bank of Hungary (www.kozzetetelek.hu).
